

The Second Seminar of the “FORUM for Advanced Fire Education/Research in Asia”

Venue : Seoul Olympic Paektel F4 Athens Hall, Seoul, Korea

Date : 20-22 November, 2013

Organizer : The Korea Institute of Building Construction

(1) Welcome Dinner (20 November, 2013)

TIME	SUBJECT
18:00-19:00	Welcome Dinner (Olympic Paektel)

(2) MORNING AGENDA (Moderator : Dr. Young Sun, Heo) (21 November, 2013)

TIME	SUBJECT	PANELIST
09:00 -	Registration	
10:00-10:30	Welcome Remarks	Welcome speech (Prof. Cheon-Goo, Han)
		Welcome speech
		Report proceedings speech (Prof. Young-Jin, Kwon)
10:30-10:40	Commemoration Performance	
10:40-10:50	Break Time (Photo Time)	
10:50-11:10	Keynote Speech(1) : KOREA <u>Overview of Trends on the High-rise Building Fire Safety Research in Korea.</u> Speaker : Ph.D Hyun-Joon, Shin <Fire Research Division, Korea Institute of Construction Technology>	Japan : Ohmiya Yoshifumi Taiwan : Kuo-hsiung Pan Vietnam : Nguyen Hung Phong Korea : Young Jin Kwon
11:10-11:30	Keynote Speech(2) : JAPAN <u>Availability of Fire Prevention Equipments Regarding the Scale of Buildings</u> Speaker : Prof. Tsujimoto Makoto <Tokyo University of Science>	
11:30-11:50	Keynote Speech(3) : TAIWAN <u>The Harmonization Issues of Fire Prevention and Initial Emergency Response for Health Occupancy Located In a High-Rise Building</u> Speaker : Prof. Po-Ta Huang <Central Police University>	
11:50-11:10	Keynote Speech(4) : VIETNAM <u>Fire Safety Challenges in Multi-Functional Super Highrise Buildings in Vietnam</u> Speaker : Prof. Doan Minh Khoi <Urban and Architectural Institute, National University of Civil Engineering>	
11:10-12:30	Keynote Speech(5) : BANGLADESH <u>Fire Safety at High Rise Buildings in Bangladesh : Role and Responsibilities of Fire Service&Civil Defence”</u> Speaker : MD. Akram Hossain <Senior Staff Officer Fire Service & Civil Defence Dhaka. Bangladsh>	
12:30-13:00	Panel Discussion, Q&A	
13:00-14:00	Lunch Time	

(3) AFTERNOON AGENDA (Moderator : Dr. Young Sun, Heo)

TIME	SUBJECT	PANELIST
14:00-14:20	<u>The Technical Policy for Fire Safety of High Rise Building in Korea</u> Speaker : Prof. Myung-O, Yoon <University of Seoul>	
14:20-14:40	<u>The Introduction of Special Law for Fire Safety of High Rise Building in Korea</u> Speaker : Du Seok, Park <National Emergency Management Agency, Republic of Korea>	Japan : Matsuyama Ken
14:40-15:00	<u>Performance-based Fire Evacuation Safety Design Introduction in Japan</u> Speaker : Prof. Mizuno Masayuki <Tokyo University of Science>	Taiwan : Po-Ta Huang
15:00-15:20	<u>The Safety Standards of Elevator for Evacuation of High Rise Building in Korea</u> Speaker : Yun-Seop Heo <Korea Elevator Safety Institute>	Vietnam : Doan Minh Khoi
15:20-15:50	Panel Discussion, Q&A	Bangladesh : Akram Hossain
15:50-16:00	Break Time	
16:00-16:20	<u>Performance Based Structural Fire Safety Design and Fire-resisting Performances of the Recent Structural Components in Japan</u> Speaker : Prof. Ikeda Kenichi <Tokyo University of Science>	Korea : Young Jin Kwon
16:20-16:40	Speaker : Prof. Min Cheol, Han <u>Improvement of Fire Endurance Performance of High Strength Concrete Applying Organic Fiber</u> <Cheong Ju University>	
16:40-17:00	Panel Discussion, Q&A	
17:00-17:10	Break Time	
17:10-18:00	<u>General Discussion for Fire Safety of High-rise Building</u>	Young Jin Kwon
18:00-	Closing Ceremony and Banquet	

(3) 22 November Program (Moderator : Dr. Young Sun, Heo)

TIME	SUBJECT
10:00-10:10	Welcome speech
10:10-10:30	<u>Status of Curriculum for Fire Safety Education in Korea</u> Speaker : Prof. Yeob-Rae Kim <Council for Korea Fire Protection Engineering Professor>
10:30-10:50	<u>The Compare of Law and Regulations for Fire Safety of High Rise Building in Asia.</u> Speaker : Prof. Young Jin Kwon <Hoseo University>
10:50-11:00	Break Time
11:00-12:00	FORUM Rally <u>Explanation about Main Purpose of the Establishment of "FORUM"</u> Prof. Myung-O, Yoon
12:10-13:00	Lunch Time
13:30-15:00	Technical Tour - Visit the Fire Proof and Safety Center in COEX
15:30-17:00	Technical Tour - Visit the Second Lotte World Construction Site
18:00-	Farewell dinner
